Many of our courses are audited and approved by Environmental Health Officers (EHOs): meaning the training materials have been independently reviewed and are verified as containing the necessary knowledge to achieve the level of training specified.

The Independent Asbestos Training Providers (IATP) are a nationally recognised not-for-profit organisation working in conjunction with the Health and Safety Executive (HSE). IIRSM work across the world, supporting a community over over 8000 members in 70 countries. A range of High Speed Training courses have been individually recognised by IIRSM as meeting the standards of its Training Approval Scheme.

We're proud to have several of our courses officially endorsed by Skills for Care, the strategic body for workforce development in social care in England and a delivery partner for the Department of Health and Social Care (DHSC). Skills for Care endorsement is a trusted quality mark only awarded to the best learning and development providers within the social care sector.
